How did you get involved in Endurance & why do you and your horse enjoy it: Started with pleasure rides then did 3 novice rides at the end of the 2013 season, it brings out the best in Mack and there are so many nice helpful people I have met and have formed great friendships – it's addictive

What do you think about when it's just you & your horse together on the trail: It's a fabulous feeling as if we are as one a true team and he puts up with my singing

Furthest distance driven to an event, to ride what distance:
3 ½ hours to ride 65km

Other hobbies: I also keep chickens, sheep and have two Donkeys.
