

EGB Lancashire Group Awards Presentation Evening

Saturday 28th January 2017

Here are the results and awards for the 2016 endurance season.

We welcomed well known Lancs Group rider Annette Schumer. Sadly Annette physically left our group this summer to return to her native Holland after spending a happy 5 years here living with her family in Croston. Annette has been a valued member of both EGB and Ulles Walton Bridleways Association committee, and for that reason we asked her if she would kindly present our awards this evening. We were so pleased she was able to accept the invitation and she made the flight over from Holland especially to be with us on Saturday night.

SAAR Companion Trophy

We are awarding the Saar Companionship Trophy this year. Not awarded every year - only when someone is nominated. It is intended for someone who has either helped or assisted with a particular incident or event - or for someone who has generally been of valuable assistance throughout the season. This year's recipient has been nominated for her hard work in making cakes to sell at our events, which is not only of value to the riders and those eating the cakes!!! but has raised money for charity as well.

ALICE BAMBER - The Saar Companion Trophy

And almost there.....

[The Lifetime Achievement Awards](#) an important and another touching award to show some recognition for our horse companions who have sadly passed away during the previous competitive season - these always deserve to be remembered. This year we have four such companions those being

Firstly

Cliquot of Scaleby who belonged to Amanda Crompton a relative newcomer to endurance, but who completed 519 kms in her endurance career.

Secondly **Roxie** who was Sara Kavanagher's companion and who completed 711kms in her career.

Thirdly we have **Elina of Rushbank** who was Helen Dawson's horse partner who completed 2724kms in her endurance life in both competitive and non-competitive events.

Rassam - who belonged to Anne Booth and completed 4730km in mainly competitive events.

Additionally, these [Lifetime Achievement Awards](#) were designed to be awarded not only to deceased horses, but also to those who are now permanently retired from their endurance careers. These can only be claimed if this is genuine permanent retirement, and such horses will not be able to claim any mileage or awards in the future . Two such this year are

Calean Joy better known as Sonny, owned by Carolyn Cummings who is now retired at the age of 28 - and who completed 7782 kms.

And Crystal's Opal Moon or Blodwyn owned by Sue Taylor-Green, who at 29years old has been retired for a couple of years now. Blodwyn completed 847 kms.

The Ride Organisers awards. *As we say every year – without them we wouldn't be here – so a big thank you to all of you:*

Nicky Clark & Sarah Bamber for the Piethorn Ride.
