MARCH 2015

## **Editor's Bit**

Here we are, only at the end of March with a number of rides already having taken place - in particular from the Lancashire schedule, Croal Irwell and Ulmes Walton - both had good weather and excellent numbers.

As usual out last committee meeting threw up a number of issues regarding the organisation of rides and in particular the never ending problem of lack of help at rides and how we can encourage members to give some time back to the society by getting involved as a helper. Helpers are essential - rides simply cannot run without them! The Committee therefore made some decisions on how best to achieve this end and this information is included in the newsletter.

As it is the beginning of a new season we also have information for you regarding rule changes - please do read it all through to make sure you are up to date with all the changes!

In this newsletter we have our first ride report of the season. Thank you Alice for sharing your experience with us - I'm sure anyone who rode that ride would agree with your sentiments - it was an excellent ride.

I look forward to receiving more ride reports as the season progresses

Regards

Helen

## **From the Chair.....**

Hi everyone,

I hope you have all got used to the new frequency of the newsletter now and are also happy with the email delivery. It seems quite a while since I wrote a Chairman's bit, just before Christmas in fact, and a lot has happened since then. As we now approach Easter time, we already have several rides under our belts. That applies to competitive and non- competitive rides, and also to Ride Organisers. I know that most of you keep up to date with events and results on Facebook and our website, so you will be fully aware of the successes of our members

and results of rides etc. Those who do not have access to these sites will not be missing out however, as this newsletter is full of reports from events, results of the Presentation Evening, explanations of this year's rule changes and lots more, so please read on.

One of the key points to draw your attention to includes a reminder to renew your membership and horse registration. Membership and national horse registration can be done on line, but Lancs Group Horse registration can only be done by post. Please note, new members in particular, that to get a Lancs Group Horse Kilometerage card you need to download a form from EGB Lancs Group website, fill in your details and send with an SAE to Jean Merchant, who will then return you the said card - everyone needs to do this as registration of your horse nationally does not get you a Lancs Card automatically.

Once you have received your card you will see a section at the top which asks for details about the ride you have helped at this year.

This is one of the rule changes which are taking effect this year. As Ride Organiser's have really struggled to get enough help recently, we have revised a rule which was in place a few years ago; everyone claiming mileage and/or trophy points with Lancs Group must help in at least ONE Lancs Group ride in 2015. This is something which is practiced in many other EGB groups around the country, and is something which, by providing helpers, allows us to actually put rides on the ride calendar in the first place. The full details are explained in detail in a later section of the newsletter.

We held our annual Ride Organiser's meeting in mid-February with great success, having quite a few new members present, all providing input and volunteering to help. This also encouraged a couple of new Ride Organisers to propose rides, and raised a few more possible routes and venues to be investigated. You will see from our 2015 Ride Fixture List that we have quite a few new rides planned and I would like to take this opportunity to thank everyone involved in these. If any other members have ideas for rides in their area please do get in touch - these can be discussed, and it doesn't necessarily mean that you will have to organise it. There is always someone to help and assist new organisers, and if you are interested in developing your skills in

this then you could always 'shadow organise' at another ride to help you get the hang of it.

A rule change which has been implemented nationally, is the need for a Parental Consent Form to be completed by all riders who are under 18 years old, for every ride they attend. This applies to local group rides as well as national rides, and rides secretaries are to strictly enforce it, to the point that if such a young rider turns up at a ride without a form, they will not be allowed to ride. This may seem harsh, but is in the rider's best interest, so if this rule applies to you then please be well prepared and have a stack of completed forms to hand (might be a good idea to keep some in the glove box of the car or horse box!!!!).

I must mention the wonderful time we had at the Presentation Evening this January. We have included a full report in this newsletter, and many of you will have seen reports, photos, and results online. I am sure you can see from these that a really great time was had by everyone. Ribby Hall did us proud with the food, and all the good company, (and rosettes of course) ensured that it was quite a vibrant evening. I am pleased to say that we had an outstanding number of guests present this year (96), including quite a few past members and champions, but I know there are still a few of our members who haven't yet attended a presentation 'do', and I would love to encourage you to attend next year - you really are missing out on a good night so remember next Christmas when the ticket booking form comes out.

Before I go on for much longer, I must mention a couple of changes you might have noticed on the website. Following the completion of last year's results calculations, I managed to get everyone's cumulative lifetime mileage in a file and it is now displayed under 'Lifetime Kilometrage' on the results section of the website. This will be updated annually (as long as you submit your kilometrage card at the end of the year) so you can keep track of how you are doing. If anyone has a horse they perhaps no longer have registered, who is not on this list, then please email me and I will try to find the historical information to add them to the list. You may also have noticed the

page of past Lancashire Champions which is very interesting reading, showing some wonderful pictures of Lancs Champions from the Lancs Group inauguration way back in 1984, courtesy of Linda Cowperthwaite. We are also introducing a Rider Profile page, which provides key information about our members and their trusty steeds - so keep your eye on that and please complete a rider profile form to get yourself added.

Another thing you need to check out is the updated Trophy Qualification list. We have changed some of the definitions for these trophies to avoid some confusion over who is eligible for what - so please take your time to read through this (included here and on website) to make sure you know what trophies you and your horse can compete for.

Well I really must end the 'Chairman's bit' now as there is loads of other info. to squeeze into this newsletter. So please make sure you read it all so you keep up-to-date with important changes etc. In the meantime have fun out there and enjoy your rides.

Take care everyone!

Sue

**If you wish to be included in the Rider Profile Pages of the website then please contact Linda Cowperthwaite [lindacowperthwaite@tiscali.co.uk](mailto:lindacowperthwaite@tiscali.co.uk) - you will need to complete a form and provide a couple of photos of you and your horse(s).**

We would like to thank Edwin Devey, our Ride Photographer from Whatapicture.biz for taking all those lovely photos at both our Presentation Evening and all of our Lancs Group rides. He is always happy to turn out, whatever the weather, and really does end up in some very isolated (and often wet and windy) places. Please remember to view his pages @ [whatapicture.biz](http://whatapicture.biz) and support him wherever possible.

## **EGB Lancashire Group Awards Presentation Evening** **Saturday 24<sup>th</sup> January 2015**

Our annual Presentation evening took place on Saturday 24<sup>th</sup> January 2014 in The Garden Room, at Ribby Hall near Kirkham.

Presenting the trophies and awards earned during the 2014 season was a very special event for Lancs Group, as this was our 30<sup>th</sup> Anniversary year since the old EHPS Lancs Group was formed way back in 1984. We really wanted to celebrate this, so to enhance the evening we developed a 'glitter theme' and everyone made a special effort to really sparkle.

We were pleased to welcome not only several past champions from our 30 year history, but also some of the people who have over the years, kindly donated some of our annual trophies

An additional event for the group to celebrate during 2014, was the 80th birthday of one of our long term members Mrs Betty Paul, who we are pleased to say is still fit and active and taking part in pleasure rides. We held Betty's 80<sup>th</sup> Birthday 'Pink Ride' in her honour at

Formby Beach in October, but we also continued the festivities at the awards dinner to her surprise, by presenting her with a sash of honour.

The awards were presented by our EGB national chairman Mr John Hudson and we were so pleased that he and his wife Jane were able to come up from Devon to help us celebrate. The M.C. for the evening was Alan Taylor-Green and the whole evening was photographed by Edwin Devey of [whatapicture.biz](http://whatapicture.biz).

We awarded the Saar Companionship Trophy this year. It is intended for someone who has either helped or assisted with a particular incident or event - or for someone who has generally been of valuable assistance throughout the season. This year's recipient is nominated by Glenda Griffin and she has nominated Jean Merchant for her assistance at many EGB Lancs events throughout the year. Jean was present at most rides, helping as First Aider, organising, timekeeping or generally assisting and has also done a great job this year with new members.

### **JEAN MERCHANT - The Saar Companion Trophy**

An important and touching award to show some recognition for our horse companions who have sadly passed away during the

previous competitive season - these always deserve to be remembered. This year we have three such companions those being **CONMAN** - who belonged to Barbara Smith and who completed 2125 happy kms during his lifetime from 1997 to 2014.

**ASIF-AL-SHADID** who belonged to Maxine Lang and who successfully achieved 1532 kms during his life from 1991 to 2014.

**ROXTHORNE BRITANNIA** who belonged to Deb Bennett who has been in retirement for the last few years but who previously was local and National Champion . She completed 8500km during her lifetime from 1983 to 2014.

Last but not Least.....

The Ride Organisers awards. As we say every year - without them we wouldn't be here - so a big thank you to all of them:

**Jenny Rand and Jean Merchant** for The Croal Irwell Valley Rides ( both Spring and the 30<sup>th</sup> anniversary ride)

**Maxine Lang** for The Echo in Africa Ride

**Angela Leadbetter** for The Waterside Parishes Ride

**Glenda Griffin and Jean Merchant** for both The Formby and The Little Crosby Rides

**Sarah Bamber and Nicky Clark** for The Piethorn Ride

**Sue Taylor-Green** for the Ulnes Walton Wander and Heapey

Hack

*You all remember that it was also Betty Paul's 80<sup>th</sup> Birthdays this year and we initially arranged the Pink Ride to take place in August to coincide with her birthday celebrations - unfortunately this was rained off and we had an emergency tea party Sue Taylor-Green's house instead followed by a rearranged pink ride at the Formby ride in October. Betty presided at this of course and received pressies and all sorts - including becoming quite a celebrity by having a three page spread in the January Issue of Lancashire Life Magazine. Anyway one award she didn't receive at the time was a celebratory sash so Betty was presented with an 80<sup>th</sup> birthday sash.*

*We also had a display board showing our 30 years worth of competitive highpoint champions of the Lancashire group of EGB. The proud owner/riders of a couple of these came specially to join our 30<sup>th</sup> anniversary celebrations. These were :-*

*The Helmery - Donna, Lucy and Becky all rode **Bobby** to local and national victory amongst many other achievements.*

*Janet and Joanne Bailey rode **Beechnut Coffee Cream** similarly to local and national victory.*

*Meriel and Zara Moon - had **Cumbria Za, Yamavah and Gedenski** (amongst others) all to similar successes.*

*Thank you to everyone who took part and let's look forward to a successful 2015 season!*

Are you interested in becoming the Lancs Group Young Rider Representative?

If so please email [suetaylorgreen@hotmail.com](mailto:suetaylorgreen@hotmail.com) to express your interest.

### **EGB LANCASHIRE GROUP TROPHY LIST (2015)**

We have recently reviewed all of the Lancs Group Trophies as some of the definitions were not too clear, and their interpretation was not always used in the sense that was intended. We have therefore included here a list of the current Lancs EGB Trophies available, and the relevant Horse and/or Rider qualifications/entry requirements etc. that apply to them. These rules will apply from 1 January 2015.

Please read this carefully and check which trophies and awards you are eligible for. Most of the trophies have the same name as used

previously, but there are some changes particularly in age and distance qualifications, so please don't assume that you do still qualify for the award which you may have competed for previously. As far as is possible, we have tried to keep the qualifications for individual trophies in-line with similar National Awards, in accordance with National EGB Rules and Guidelines.

Please note that points or kilometres accrued by non-members will not count towards trophies or mileage rosettes. However, kilometres completed by horses/ponies owned by EGB members but ridden by non-members can contribute to the horse/pony's cumulative kilometerage.

Please also remember that the only EGB Lancs Group approved rides are either EGB National Rides, those appearing on the EGB Lancs Group Fixture list, or other EGB Group Rides (not other group Charity Rides). Not all rides advertised on Facebook are approved by EGB Lancs Group!

### **Trophies based on Non-Competitive Kilometres**

**Lancashire Rosebud Trophy:** Awarded to the **Junior/Young Rider member**, 21 years old and under (on 1<sup>st</sup> January), who has successfully completed the greatest number of Non-Competitive kilometres in EGB Lancs Group approved rides on one or more horse/pony. All non-competitive kilometres to count.

**Lancashire Rose Trophy:** Awarded to the **Senior Rider member**, over 21 years old (1<sup>st</sup> January) who has successfully completed the greatest number of non-competitive kilometres in EGB Lancs Group approved rides on one or more horse/pony. All non-competitive kms to count.

**Pendle Salver:** Awarded to the Horse or Pony, which is **18 years of age and older** (1<sup>st</sup> January), and which has successfully completed the

**N.B. More rides to be added later, potential Ride Organisers please remember to complete Social/Charity Ride Proposal Form to book your date!!!**

## **Rule changes for 2015**

- 1) The first important change is the Parental Consent Form for those under 18 years old. A completed copy of this should be placed in an envelope (as it's confidential information) with your name printed on the front, and handed into the ride secretary when you collect your number bib, at any type of EGB Ride. It has been suggested that you pick it up again at the end of the ride and can use it again throughout the season however, the name of the ride is on the form which makes it a bit difficult to do that. A copy of the form is included with this newsletter and is downloadable from the national and the Lancs EGB sites.
  
- 2) Ride Helpers - there are two changes here:
  - i) Everyone who wishes to claim mileage and points for the 2015 Lancs Group awards needs to help in at least one Lancs Group ride this year. There is a space at the top of the 2015 Kilometrage Cards for you to have signed by the Ride Organiser of the ride you help at. This is not a punishment but the only way that we can continue to put rides on the schedule. Ride Organisers need help and if they don't get it there won't be any rides- it's as simple as that! So you need to plan your season ahead. Look at the Lancs Ride Schedule. There are at least 10 more Lancs Rides on there, including the two

competitive rides. Most need at least 6 or 7 helpers on the day, whilst the competitive ones need about 20!!!! Some need help marking the day before or clearing up the day after, so there are plenty of helping jobs available to make sure all our members have at least one opportunity to help, If you look on the Lancs Fixture list you will see the name of the ride organiser, and an indication of how many helpers they need. Please decide which you want to help at and let the organiser know as soon as possible, so that everyone knows what they are doing , and also that you make sure you have a ride to help at! It's no use waiting till September to help, and discover that all the helper jobs are taken! It also needs to be the rider who helps - not a friend or family member who stands in for them! Junior and Young Riders are excused from this, but if their horse is ridden by a senior rider as well, then the senior rider needs to do the helping! This change will not only ease the load on the Ride Organisers, but helpers might find it quite an enjoyable and informative experience.

- ii) This leads us to the more **training and development** aspect of helping at rides. There are several jobs at rides, ranging from ride entries secretary, ride day secretary, Time Keepers, vet writers, checkpoints to name a few. Often members say they would like to help but feel unconfident at performing the role. So we plan over this year and next to start a training programme for helpers, which might involve both formal training workshops and shadowing more experienced helps etc.

Additionally we are starting a **points system** for helpers who do more than the one compulsory helper job. Any member who helps at a ride can ask the Ride Organiser for a Ride Helper Card, which they keep all season (like the Horse Kilometerage Card) which is completed and signed at every ride they help at. Points are awarded each time and there will be a **NEW TROPHY** awarded at the Presentation Evening for the ride helpers with most points - something else to compete for!!!! After much debate it was decided that in this first season points awarded will be the same for all the different jobs i.e. 10 points per task but that Ride Organisers will be awarded 50 points to reflect the size of the task. If you do two jobs or help on two consecutive days, then 20 points can be gained. E.g. ride marking the day before and checkpoint steward on the ride day. Joint Ride Organisers will split the 50 points. I hope that this is explained clearly enough and that it encourages our membership to try out different helper roles. This should in turn make everyone's experience of rides a success.

**3. Lancs Group Trophy Rule Changes** - already mentioned in 'From the Chair'. There are several changes to the Trophy definitions so please check the list included with this newsletter. Most amendments involve a change in whether the trophy is awarded to the horse/pony or to the rider. E.g. Young Rider trophies are now awarded to the **rider** who gains most points, even if riding more than one horse/pony as the title of the trophy suggests, rather than **one** horse/pony ridden by a young rider.

---

**4. New National Trophies** – there are some changes to the EGB National Trophies which you may or may not be aware of. You need to register with the National EGB Office to be considered for these. Two new ones are The Pleasure Pairs Competition and the Teams of Three Award. These are in addition to the Green Dragon Team Award. See the main EGB site for details and send the horse and rider details to [office@enduranceegb.co.uk](mailto:office@enduranceegb.co.uk).

That's it for now folks!

Sue

## **Croal Irwell Ride**

The Croal Irwell Valley Ride I took part in on the 15th March 2015 was only the fourth pleasure ride I have been on but it was by far the best. I had the pleasure of riding Tommy Piglet owned by the lovely Judy Ainley and he was incredibly well behaved, he was full of impulsion the whole time but fully under control which is always nice!

The route was very well set out and the whole event very well organised so thank you to Jenny Rand and everyone that was involved. We were fortunate enough to not have had lots of rain the few days beforehand so apart from the odd parts of the track that were like a bog, it was a fab terrain which allowed some beautiful canters.

There were times I had to put my safety into Tommy's hands as I was often laid flat against his neck trying to dodge all the branches, but he definitely looked after me. I was also looked after by the lovely Pauline McCartney and her gorgeous mare; if it wasn't for her I would have got lost and left Judy worrying in the car park, so a massive thank you too for looking after me!

I can happily say I have caught the pleasure ride bug and I am looking forward to many more pleasure rides - one day on my own horse.

Alice, 17, Garstang  
Thank you very much

## **A BIG THANK YOU**

To all who helped at the Croal Irwell Ride  
You did a great job and everyone enjoyed themselves  
on a wonderful ride.
